

The International Conference of the University of Agronomic Sciences and Veterinary Medicine of Bucharest

AGRICULTURE FOR LIFE, LIFE FOR AGRICULTURE

June 9 – 11, 2016, Bucharest, Romania

Conference Announcement

ABOUT THE CONFERENCE

We have the honour of inviting you to participate in the 2016 Edition of the **International Conference "Agriculture for Life - Life for Agriculture"**, an event initiated by the University of Agronomic Sciences and Veterinary Medicine of Bucharest, to be held in Bucharest, Romania, between 09th and 11th of June 2016.

We live in a time of great challenges for agriculture, including energy, climate change, the environment, food safety and nutrition, health, rural development and trade. These are challenges not only for agriculture but also for education and agricultural research, and will not be solved without major advances in research and innovation. Therefore, the University of Agronomic Sciences and Veterinary Medicine of Bucharest aims to continue its annual meetings on life sciences and social sciences, offering researchers, business leaders, government and EU officials the opportunity to share their innovative ideas and research results in order to scientifically address global challenges.

The Conference will provide you with the opportunity to build new connections and partnerships by offering a unique insight into the most recent agricultural research and development, and further promoting the development of agriculture in the future.
